

**SINGLETON FLY FISHING CLUB
2007 EVENTS RECORD - FISHING LOG**

DATE	LOCATION	FISH CAUGHT	FISHING TIME	H2O TEMP	PEOPLE	OTHER DETAILS
Jan-26	Oberon Dam	0	day and night	Bloody hot	10	Dam level record low
	Thompsons Crk	0	Night	hot	1	Dam level record low
Feb-24 1 week	Eucumbene	Rainbows (30) Browns (2)	night night	hot hot	9	Dam level 18%. No weed beds. Record low Fish very good condition
	Jindybine	Rainbows (10) Browns (2)	night night	hot hot		Dam at around 50% with established weedbeds Fish condition very good
Mar-23	St Clair	Bass (1)	Friday evening Saturday morn.	25deg	19	Rain from Sat. evening on, stopped the rest of the fishing, general opinion was too early in the year water temp too high, political issues discussed, made plans to rule the world etc, etc.
Apr-03	Sing. Golf Club	Trout	Evening	Mild	22	Fly Fishing Film Festival
Apr-12	Lake St Clair	Perch Silver & Golden	Afternoon	18.5deg	14	Narrandera Department of Fisheries provided Singleton Fly Fishing club with the opportunity to assist with the release of 102,000 silver perch and 75,000 golden perch fingerlings into Lake St Clair
Apr-28	Barrington	Rainbow & Brown trout	Daytime	17deg	1	One intrepid member braved the inclement weather. The rest of us wimped it expecting rain, as per meteorologists' reports, what do they know. Well done Peter Sewell, one rainbow and one brown as I understand the result to be.
May-25	Glenbawn	Bass (~20)	Daytime Need sun for heat, tis cold	15deg	12	A good turn out for the club, and a good catch rate Many lessons learnt and skills taught
Jun-22	Jonno's Place	Bream (1)	Daytime with lots of wind	17	6	Intrepid anglers took on the wild weather and enjoyed great company, of each other!
Jul-07	Singleton RSC	All types	Evening	Cool	30	Always a great night
Aug-24	Liddell	Carp ()				
Sep-21	St Clair					
Oct-19	Liddell 4th Invitational Carp Fly Classic	Carp ('000s)
